DAHUA HAP220S

Branded Microphone - External / Omnidirectional - High quality - 5~100 m2 Sensitivity -34dB -
Anti-vandal IK10 - Concealed installation in electrical box shell

- Branded
- External, Omnidirectional, Microphone
- High sound quality
- S/N ratio (signal/noise) 70 dB
- Sensitivity -34 dB
- Adjustable gain
- Dynamic range 86dB
- Range 5~100 m2
- Output impedance 100 Ω non-equilibrium
- Silver plated condenser microphone
- Automatic noise reduction
- Limiting loud sounds to avoid saturation
- 4 configuration types for different scenes
- Audio output via female RCA connector
- Power supply DC12V by male jack connector
- Vandal-resistant aluminium housing IK10
- Concealed installation in electrical box shell (86)
