DAHUA HAP301

Branded Microphone - External / Omnidirectional - High quality anti-interference - 1~150 m2
Sensitivity -38dB - Audio RCA / Jack DC12V - Aluminium housing

- Branded
- External, Omnidirectional, Microphone
- High sound quality
- High anti-interference capability
- S/N ratio (signal/noise) 85 dB
- Sensitivity -38 dB
- Adjustable Gain
- Dynamic range 106 dB
- Range 1~150 m2
- Output impedance 25 ?
- Micro electromechanical system (MEMS) microphone
- Integrated CPU with audio processing
- Automatic noise reduction
- Limiting loud sounds to avoid saturation
- Auto gain to enhance the human voice
- Audio output via female RCA connector
- Power supply DC12V by male jack connector
- Protected against over-voltage and surge currents

- Aluminium housing
- Surface installation
