CHUANGO RC-80

2 Multi-function remote(s) - Wireless - Arming, silent arming and partial arming - Disarmed - SOS button (panic) - Led indicator

The pack includes 2 remote(s) which allow diverse operations at a maximum distance of 80 metres. As well as arming and disarming the alarm, there are 4 additional buttons for advanced functions.

Thanks to its simple design, it can be carried as a key-chain and hereby you have it always at hand. It has an LED that lights up when a button is pressed or when the battery is low.

- - Armed, arm all detectors (Mode outside home)
- - Disarmed, disarms all detectors
- - Partial arming, all the detectors are armed except those in zone A (Home mode)
- Panic button, immediately call the pre-established phone number
- - Silent arming, arm all detectors with no audible signal
- - Silent disarming, disarms all detectors with no audible signal
