UNI-TREND UT120B

Pocket Digital Multimeter - EBTN screen - DC and AC voltage measurement up to 600V - Autorange function - Resistance and capacitance measurement - Buzzer for continuity test | NCV function

- UNI-T
- Pocket digital multimeter with auto-ranging CAT II 600V
- TN backlight display up to 4000 counts
- DC and AC voltage measurement up to 600 V
- Resistance and capacitance measurement
- Buzzer for continuity test
- Automatic shutdown
