UNI-TREND UT256A

Fork-type clamp ammeter - LCD display of up to 6000 counts - Current measurement in AC up to 200A - DC and AC voltage measurement up to 1000V - High AC accuracy with True RMS function - Resistance and frequency measurement | NCV function

- UNI-T
- Fork-type clamp meter CAT II 1000V/ CAT III 600V
- LCD display up to 6000 accounts
- DC and AC voltage measurement up to 1000 V
- AC current measurement up to 200 A
- High accuracy in AC with built-in True RMS function
- Resistance and frequency measurement
- Buzzer for continuity test
- NCV (non-contact voltage) function
- Automatic shutdown
