UNI-TREND UT505B

Insulation resistance and multimeter - AC and DC voltage measurement up to 600V - Ranges 50/100/250V/500V/1000V - Measures Resistance, capacitance and frequency - Automatic shutdown - Temperature measurement

- UNI-T
- Electrical Equipment Insulation Resistance Meter and Digital Multimeter
- LCD display up to 6000 accounts
- Insulation resistance measurement (?) of voltages 50/100/250V/500V/1000V
- AC and DC voltage measurement range 0~600V
- Resistance, capacitance and frequency measurement
- Temperature measurement
- Automatic shutdown
