MARCA BLANCA CON-DC-HIK

DC adapter - 105 mm long - Mini Din female connector - Standard male connector - Adapts standard power supply - For SAFIRE DVRs

Adapter DC female to connector 4 pins.

It has a female Mini Din power input 4 pin, and 1 standard male power output. It permits you to use a power supply with standard output in the devices whose power supply input is a connector Mini Din of 4 pins, such as a power supply DC 12 V in the recorders of the SAFIRE range.
