DMTECH DMT-FP9000P

DMTech Power Supply Panel - Certificate EN54-4 - Output current 2A - Up to 3.5A for 15 minutes - Auxiliary output for fault condition - Capacity for 2 12V batteries

- DMTECH
- Power supply
- Certificate EN54-4
- Output current 2.0A (Maximum output up to 3.5A for 15 minutes)
- Auxiliary output for fault condition
- 230V AC operating voltage
- Capacity for 2 12V batteries
